ROAD SAFETY

AWARENESS

PROGRAMME

ROAD SAFETY AWARENESS PROGRAMME

Today the rate of accidents on road has increased tremendously. One of the main reasons for this situation is lack of knowledge of rules which we must follow on road. In this situation, NSS unit of SJ CET conducted a road safety awareness programme.

This programme was held on 19th April 2008 at library hall of SJ CET. The programme started at 9.30am and the session was handled by Mr.M.N.Prabhakaran, Rtd. Deputy Transport Commissioner. The session was mainly oriented for the students of SJ CET.

During the first session of class, he told us about the importance of following, traffic rules. Then he taught us various signals and sign boards that we should know while driving.

The next part of the class, he made us aware about what to do when we face some crucial situations which we cannot avoid during driving and the steps to be followed during accident cases. Other than the lecture, the class was packed with some paper presentations which were very much informative. After this there was a session for asking and clearing our doubts.

At the end of the programme, there was a session in which the sir asked us various questions to test the effectiveness of the programme. The students who attended the class evaluated it as a great success. The programme was winded up by expressing our sincere gratitude towards Mr. M. N. Prabhakaran, Rtd. Deputy Transport commissioner. The program came to an end by 1:00 pm.

ENTE "MARAM"
PROJECT

ENTE MARAM PROJECT

In this modern sophisticated world the human race is struggling for its survival we are aware of the threats that we are about to face. Global warming, deforestation leading to soil erosion and there by degradation of lands and many such problems have to be tackled with utmost care. As the youth we should be vigilant of these threats and must be in the fore front to make others aware.

As a part of ENTE MARAM project of Social Forestry Department the NSS wing of St.Joseph's college of Engineering and Technology, palai organized this program in our college. Neem, Jackfruit tree, Cashew nut tree, Tamarind tree, Sandal tree etc, around 300 such saplings were collected from Vandamplackal Nursery on 02/06/2008. After a week the NSS members along with the students of SJCET Palai took part in this venture with whole heart and body.

Each NSS member planted two trees and has decided to take care of the tree. Each and every member is interested to remove weeds and to water the plants during the evening hours. Thus we strongly feel that we could make the students aware of the importance of trees and greenery in the upcoming future.

PALIA TIVE
CARE

PALIATIVE CARE-VISIT TO BOYS TOWN

On behalf of NSS, we NSS members visited an orphanage named Boys Town at Pala. We interacted with the children there for a day. We had some nice books and some color pencils for them. We taught them magic, sang song with them played and danced with them. We provided stage for them to express their talents. We interacted with the nuns who were the care takes of the children. They told us about the earlier life situations of those children.

We also had food arranged for them. We shared food with each other. The food tasted more delicious when we shared it with the children there.

By 5:00 pm we windup the program and was ready for our return trip to our college. It was really a sad moment for each of us. But we can never forget the day on which spent time with some innocent kids.

This program was a part of personality development program through social interaction. We are very much benefitted by this program.

HOSPITAL
VISIT REPORT

HOSPITAL VISIT REPORT

In association with the Gandhi Jayanthi celebrations our unit decided to undertake cleaning activities at the government hospital, Palai on 2nd October 2008. A team consisting of 40 NSS Volunteers guided by our program officer Mr.Babusanker Sir, set off from our college campus. The college authorities were kind enough to provide us with our college bus. The college also sponsored five flower pots and about twenty saplings which we decided to make use of in the hospital.

We left the college campus by 9:30 am sharp and reached the hospital in about 15 minutes. We were warmly welcomed by the hospital authorities. Our program was inaugurated by the hospital Superintendent Madam Betty and the meeting was presided over by Mr. C.D.Devassy. We were able to begin our activities by 10:00 am. We started off removing grass and other waste materials like used medicine bottles, tablet strips, syringes etc. within the hospital premises. Later we cleaned areas outside near to the hospital's compound wall. We are able to complete all cleaning works by 12:00 pm. We are then given small refreshment.

By 12:15 pm we started planting all the saplings that we had brought with us. Appropriate locations were selected for planting and all the saplings were planted with utmost care. All the saplings were manured and watered. We provided small cylindrical fences made of wood around the saplings to protect them from being eaten up by animals. Later we arranged the flower pots we had brought with us in front of the reception building.

After completing all the works we gathered together, congratulate each other and winded up everything with our usual NSS Clap. We then started back to our college by 1:30 pm. The program was great success.
