

ST. JOSEPH'S

COLLEGE OF ENGINEERING
AND TECHNOLOGY,
- PALAI -

ACTION TAKEN REPORT BASED ON THE FEEDBACK FROM ALUMNI FOR THE ACADEMIC YEAR 2019-20

This institution is affiliated to APJ Abdul Kalam Technological University. The Board of studies prepares the curriculum based on the feedback and suggestions from the affiliated colleges through the conduct of meetings with Principals before preparing the curriculum.

For continuous improvement in the quality of course delivery, institution obtains feedback on curriculum design, course delivery and the support required by the students from the department and the institution. Based on the feedback collected from the alumni, Following are the decisions taken by the institution.

1. Decided to conduct training programs to ensure that the students have the necessary skills to use modern engineering tools. This includes on-the-job training, internships, workshops, and online courses.
2. Provide opportunities for students to work on multidisciplinary teams. (IEEE, IEDC, NSS and the interdisciplinary cell of our college).
3. Provide mentorship and guidance from experienced engineers.
4. Provide training and resources in identification and investigate complex engineering problems.
