

ST. JOSEPH'S

COLLEGE OF ENGINEERING
AND TECHNOLOGY,
- PALAI -

ACTION TAKEN REPORT BASED ON THE FEEDBACK FROM ALUMNI FOR THE ACADEMIC YEAR 2021-22

This institution is affiliated to APJ Abdul Kalam Technological University. The Board of studies prepares the curriculum based on the feedback and suggestions from the affiliated colleges through the conduct of meetings with Principals before preparing the curriculum.

For continuous improvement in the quality of course delivery, institution obtains feedback on curriculum design, course delivery and the support required by the students from the department and the institution. Based on the feedback collected from the alumni, Following are the decisions taken by the institution.

1. To provide practical application of the courses, it was decided in the council meeting to conduct industrial visits.
2. IEDC SUMMIT conducted on 15th January, 2022 in the campus benefitted the students with an opportunity to work on real world projects and develop their skills.
3. Decided to provide opportunities for students to work in interdisciplinary teams.
4. Decided to impart training programs to students to ensure that the students have the necessary skills to use modern engineering tools. This includes on-the-job training and internships.
5. Decided to Develop engineering solutions to address the identified societal needs and issues. This involve working with interdisciplinary teams and collaborating with experts in related fields.
