

EMPLOYER FEEDBACK

Dear Employer,

Greetings from St. Joseph's College of Engineering and Technology, Palai (SJCET, Palai).

Thank you for being one of the prestigious organizations who have employed the graduates from our institution.

We earnestly believe that our graduates are performing well and have raised up to your expectation. In the process of continuous efforts to provide industry ready graduates, we would like to have your valuable feedback on how effective the graduates from our institution are performing and coping with the working environment and the duties entrusted on them.

Kindly spare a few minutes from your busy schedule to help us serve you better in the future. Kindly provide the following details which will be used for our improvement without revealing any identity details.

1. **Company Name:** QBurst

2. **How many graduates from SJCET, Palai are associated with your esteemed organization?**

I. **Please Tick the appropriate box of your response:**

Tick the number that best describes your level of satisfaction at each question:

1 - Disagree, 2 - Neutral, 3 - Agree, 4 - Strongly Agree

| How satisfied are you with the student/s work performance and the academic system which educated these candidates. | 1 | 2 | 3 | 4 |
|---|---|---|---|---|
| 1. Exhibit ability to apply engineering knowledge to solve complex engineering problems at work. | | | | X |
| 2. Show keen interest to analyze and interpret the complex engineering problems as per industry requirement. | | | | X |
| 3. Exhibit ability to design solutions for complex engineering problems. | | | X | |
| 4. Are able to effectively conduct investigations of complex problems. | | | X | |

| | | | | | | | | | | |
|---|--|--|--|--|--|--|--|--|---|---|
| 5. Are familiar with or understand use of modern engineering tools /software. | | | | | | | | | | X |
| 6. Exhibit use of his/ her engineering knowledge for the betterment of society. | | | | | | | | | | X |
| 7. Are aware of how engineering solutions have an impact on environment context and are keen towards sustainable development. | | | | | | | | | | X |
| 8. Fulfil professional and ethical responsibility. | | | | | | | | | X | |
| 9. Show needed skill to work in a team and function effectively as an individual. | | | | | | | | | | X |
| 10. Exhibit essential interpersonal and communication skills. | | | | | | | | | | X |
| 11. Able to choose and apply appropriate resource management techniques. | | | | | | | | | | X |
| 12. Are independent and life-long learners. | | | | | | | | | | X |

On a scale of 1 to 10 how do you rate your overall satisfaction of alumni of SJ CET ?

| | | | | | | | | | |
|---|---|---|---|---|---|---|---|---|----|
| 1 | 2 | 3 | 4 | 5 | 6 | X | 8 | 9 | 10 |
|---|---|---|---|---|---|---|---|---|----|

Any specific comments on the curriculum for our graduates more industry ready?

Any specific comments on the curriculum for our graduates more industry ready?

We are pleased with the overall curriculum of the college. We believe that it provides students with a strong foundation in the theoretical aspects of their chosen field, as well as the practical skills that they need to be successful in the workforce. In addition to technical skills, students also need to develop soft skills in order to be successful in the workplace. These include skills such as communication, teamwork, and critical thinking. The curriculum should include more opportunities for students to develop these skills, such as through group projects, presentations, and simulations.

Any additional comments or feedback?

We conduct campus drive every year at SJ CET. The students selected are really doing great at work. We appreciate our experience of hiring students from the college and we look forward to hire more IT professionals.
