Purpose

The purpose of this MoU is to establish a collaborative relationship between the Academy and the College for the following purposes:

To develop academic and research collaborations between the Academy and the College. To promote faculty and student exchanges between the Academy and the College. To organize academic seminars, workshops, and conferences on topics of mutual interest.

To develop research projects and publications between the Academy and the College.

Terms of Collaboration

To explore areas of common interest for academic and research collaborations. Agree to encourage and facilitate faculty and student exchanges between the two institutions. Organize academic seminars, workshops, and conferences on topics of mutual interest. Agree to collaborate on joint research projects and publications.

Benefits

To provide academic and research resources to the College, including access to its faculty and research facilities.

To provide guidance and support to the College in developing joint academic and research projects.

To provide assistance to the College in identifying potential sources of funding for joint academic and research projects.

To provide internships to second and third year students.

IT and Non IT students can attend the training program.
