

ST. JOSEPH'S

COLLEGE OF ENGINEERING
AND TECHNOLOGY,
- PALAI -

S.No	Name of the workshop/ seminar/ conference	Year
1	Integrated Circuit-From Concept to Product	2022
2	INSENDIUM 7.0	2022
3	Techie Pods #1 - Into the Metaverse	2022
4	EXPERIENCIA - Experience Sharing Session	2022
5	Generations of Cellular Technology	2022
6	Annual General Meeting	2022
7	TECH SCRIBER-Session on Technical Paper Writing Grooming	2022
8	Photoshop Training	2022
9	FLUTTER: Hands on Workshop	2022
10	Introduction to Arduino	2022
11	Technical Talk on Entrepreneurship: Opportunities and	2022
12	Hands on Experiment of Home Automation System	2022
13	How to Build a Resume	2022
14	Seminar and Plant Visit on Solar Power Generation and	2022
15	Webinar on How to Market Yourself	2022
16	Adobe Photoshop Training	2022
17	Workshop on Digital System Design using Vivado Design Suite	2022
18	Workshop on Mentor Graphics	2022
19	Workshop on Challenges in VLSI	2022
20	Workshop on Baja and Human powered vehicle	2022

ST. JOSEPH'S

COLLEGE OF ENGINEERING
AND TECHNOLOGY,
- PALAI -

21	Technical Talk on Vega Processors and Ecosystem	2022
22	Spark to Fire : Mini Project Orientation Programme	2022
23	Expert Talk on Health Effects of Electromagnetic Radiation	2022
24	Interdisciplinary Workshop on Entrepreneurship	2022
25	Webinar: Introduction to RTO Systems	2022
26	Expert Talk on Scientific Publications	2022
27	Effective Utilization of E-Resources for a Valuable Research	2022
28	Motivational Talk & Experience Sharing by Lt. Athul V. Nair	2022
29	Applications of GIS and remote sensing in water quality	2022
30	Opportunities after civil engineering	2022
31	Webinar: A Story on Artificial Intelligence"Let Us AI"	2022
32	Intellectual Property Rights Awareness Programme	2022
33	Webinar -A Glimpse into the world of media and	2022
34	Expert Talk on Intellectual Property Rights (IPR)	2022
35	Introduction to Civil Engineering Software	2022
36	Webinar on Skill Development and Lifelong learning	2022
37	Sustainable construction in Civil engineering Era	2022
38	Redesigned Civil Engineering Era	2022
39	Workshop on Python Django	2022
40	ATAL FDP on Wearable Devices	2022
41	Webinar on 'Electric Vehicle: The New Future'	2022
42	Design Thinking for Innovation	2022

ST. JOSEPH'S

COLLEGE OF ENGINEERING
AND TECHNOLOGY,
- P A L A I -

43	International Conference on Artificial Intelligence & Energy	2021
44	Pitch Perfect	2021
45	Practical Session on Bitumen Extraction	2021
46	Webinar - Introduction to Python	2021
47	Workshop on WordPress: Build a website without knowing	2021
48	Webinar on Lifestyle Diseases	2021
49	Business Model Canvas	2021
50	Webinar - Introduction to ML for Power and Energy Sector	2021
51	SJBS Annual Conference 2021	2021
52	Webinar on Building information modelling: Unlocking the	2021
53	Demonstration of working of firefighting equipment's	2021
54	Seminar on Professional Ethics	2021
55	Expert talk on Ups N Down	2021
56	Expert talk on Employability of an MBA Graduate	2021
57	Workshop & Challenge # Introduction to Arduino using	2021
58	Webinar Series on Introduction to Electronic	2021
59	Webinar on Design & Sizing of Solar Photovoltaic Plants for	2021
60	Expert talk Session-Experience Sharing	2021
61	Flutter App Development Workshop	2021
62	Expert talk on Overview of Electric Vehicle Technology	2021
63	Young Professionals Talk on Career in Semiconductor	2021

ST. JOSEPH'S

COLLEGE OF ENGINEERING
AND TECHNOLOGY,
- P A L A I -

64	Insight Summit 2021- Faculty Development Programme	2021
65	Webinar on Ideation, Innovation and incubation	2021
66	Webinar on Neuromorphic Computing	2021
67	Workshop on Ethical Hacking and Cyber Security	2021
68	Synergy - An Induction Training Program for IEDC BootCamp	2021
69	Basics of Programming- Hack eXtreme	2021
70	Introductory Talk on IEEE Xtreme 15.0	2021
71	Webinar on How to Market Yourself	2021
