SJCET was established under Diocesan Technical Education Trust with the noble aim of imparting Professional and Technical Education to all eligible students irrespective of caste, creed, community or income. The idea was that no meritorious student shall be denied Technical Education for want of funds or social status.

Keeping in mind this great objective, the following scholarship policies have been formulated and implemented in SJCET.

SJCET facilitates all kinds Govt. scholarships like Tuition Fee Waiver. Complete tuition fees will be given as scholarship to 5% students (of the sanctioned intake) for those selected under TFW category by the Commissioner of Entrance Examination.

Other types of Govt. scholarship are Merit cum Means Scholarship, E-Grant, AICTE-Pragathi Scholarship etc. to all eligible students.

B. Institutional Scholarship

1. Meritorious students will be given scholarships based on the marks scored by them in the qualifying examination and on the basis of the rank obtained by them in the KEAM entrance examination. The number and quantum of scholarships will be decided every year after considering the financial status of the institution and the development activities planned for the year.
2. Special scholarship will be offered to deserving candidates from economically weaker section, irrespective of community and caste at the discretion of the Management on case by case basis.
3. Students who are members of parishes in the Diocese of Palai are eligible for Diocesan scholarship of Rs. 5000/- per semester.

The structure and quantum of scholarship of all the above schemes will be reviewed every year by the competent authority to make suitable and periodical changes for the benefit of our student community.
