Online training on 'Benefits of MATLAB and Simulink'

Report

On 26th April 2023, an online training on 'Benefits of MATLAB and Simulink in Engineering' was conducted for both S6EEE and S6ECE students. 34 students from S6EEE attended the session.

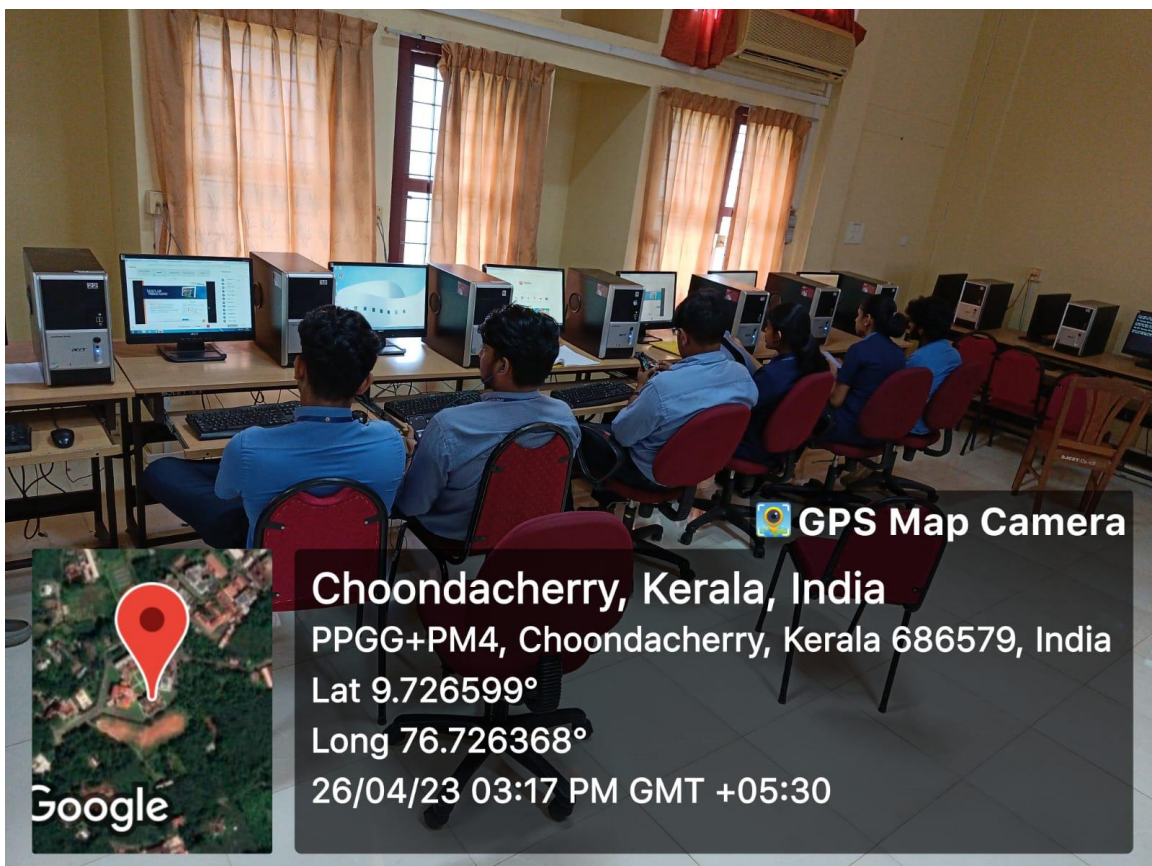

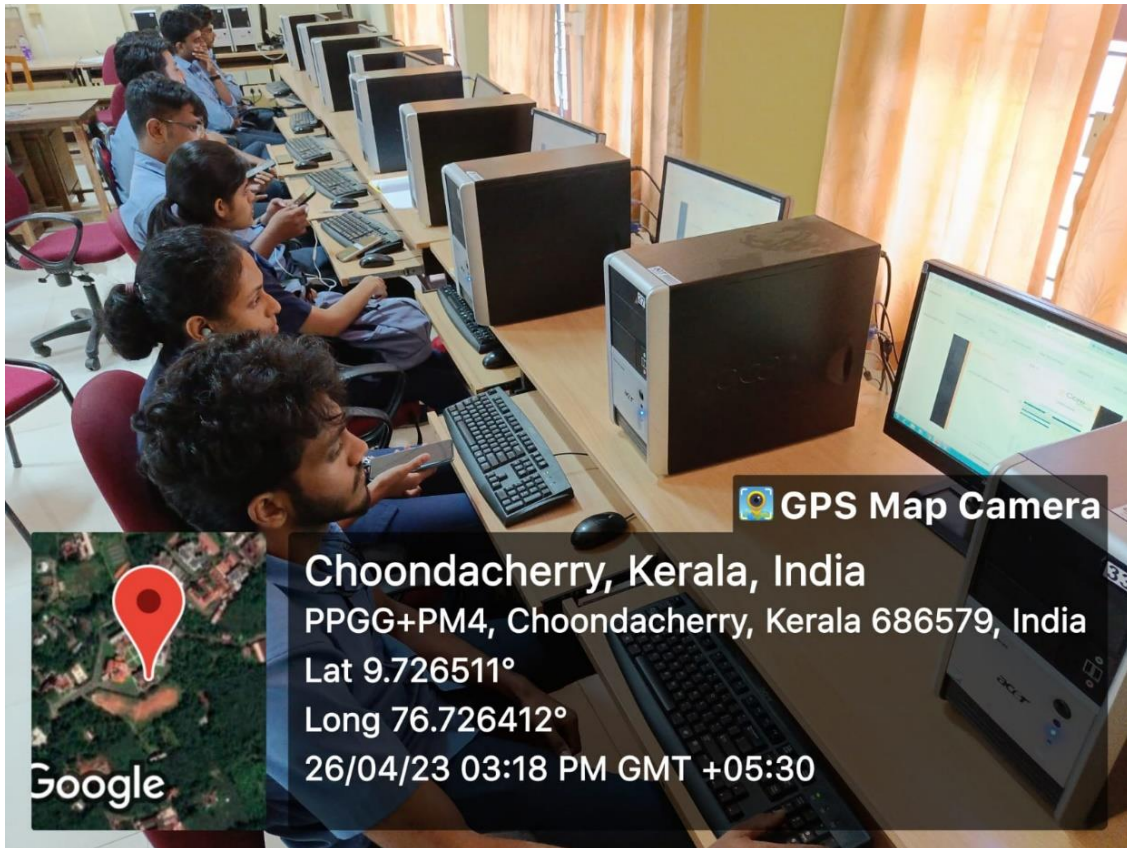

The session on 'Benefits of MATLAB' was handled by Ms. Niveitha Mohankumar. It was a very informative session and she explained about the importance of MATLAB for an electrical engineer. She discussed about how MATLAB plays an important role in making the electrical projects easier.

The session on Simulink was handled by Mr. Avinash Vulasa. In this session, he explained about how to access MATLAB for free using college domain, He also discussed about self-paced courses in MATLAB.
