TALK ON OVERVIEW OF INTELLECTUAL PROPERTY RIGHTS AND BUILDING A CAREER IN INNOVATION

Resource Person

ER.ROBIN K VARGHESE

Robin is Intellectual Property Attorney and Group Head of IP Centre of Excellence for Johnson Controls International, a global company that make buildings safer, energy efficient and sustainable with a presence in over 2000 locations across the globe. In the last 13 plus years, he has previously worked for several companies such as L&T, Honeywell International, Lanco Infratech & KSEB. After completing engineering in Electrical & Electronics from SICET, he pursued Masters in Business Administration from University of Petroleum and Energy Studies, Diploma in Intellectual Property from WIPO Netherlands and LLB from Karnataka State Law University. He is also a registered Indian Patent Agent and have license to practice in the indian patent office.

PATENT
COPYRIGHT
TRADEMARK

Robin is an inventor of 2 patents and is well versed in technologies and innovations related to IoT, 3D Printing, Machine Learning, HVAC, Barcode Scanning and Artificial Intelligence where he deploys his expertise on patent portfolio management and innovation strategies, freedom-to-operate opinions, technology intelligence studies, IP-assets valuation, IP negotiations, technology evaluation and substantive issues of patent litigation.

Report

TALK ON 'OVERVIEW OF INTELLECTUAL PROPERTY RIGHTS AND BUILDING A CAREER IN INNOVATION'

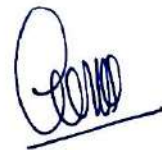

On 6th January 2023, the department of Electrical and Electronics Engineering of SJ CET, Palai in association with Centre for Continuing Education and Skill Development cell organised an expert talk on the topic "**An overview of intellectual property rights and building a career in innovation**", at MTB seminar hall during 3:00pm to 4:00pm.

Er. ROBIN K VARGHESE, Intellectual Attorney and group head of IP centre of Excellence for Johnson Controls International, was the resource person. He is also a registered Indian patent agent and have license to practice in the Indian patent office.

The talk session started with a welcome speech by Dr. Tomson Thomas, Asst. Professor, EEE Dept. The resource person gave an overview about intellectual property rights and was followed by its different forms and types like copyrights, trademark, industrial design, trade secrets, patent rights were discussed briefly. To make the session interesting, few case studies were discussed. The talk was concluded by discussing about how to build a career in intellectual property rights and their roles and about the courses which provide IPR.

Prof P.V Varkey, Prof. Emeritus & former HoD, EEE presented a memento to the resource person and the session came to an end by a vote of thanks by Ms. K. J. Raina, S7EEE.

Seminar on 'Electrical Simulation Software's

Report

Department of Electrical & Electronics Engineering Department organized a talk on 'Electrical Simulation Software's on 25th April 2023 for S6EEE students from 10am to 11 am and for S4 EEE students it is from 1.30pm-2.30pm. 34 students of S6 EEE and 50 students of S4EEE were attended the program. Er. Dawn S. Kurian, a faculty of CADD Center, Palai was the resource person for the session.

During this informative session he mainly discussed about the importance of AutoCAD, its application and its importance in the field of engineering. He also discussed briefly about 3D and 2D drawings using AutoCAD. It was a very informative session for the students.
