## **REPORT**

### **Talk on “My experience as a Teacher”**

On 20<sup>th</sup> April, 2023, the Department of Civil Engineering of SJCET, Palai in association with Centre for Continuing Education & Skill Development Cell organized a talk on the topic ‘My experience as a Teacher’ at MTB seminar hall during 3:00pm to 4:00pm.

Ms. Rinu Treesa, a faculty of Civil Department and an alumni of SJCET, was the resource person.

The talk session started with a welcome cum introductory speech by Mrs Ance Mathew, HOD, CE Dept. The resource person shared her experience as a teacher and how she achieved her passion to become a teacher. The session was quite interesting and inspiring. The talk was concluded by discussing about how to build a successful teaching career and she encouraged the children to be teachers of the future.

Mrs. Ance Mathew presented a memento to the resource person and the session came to an end by a vote of thanks by Class representative of S8CE.

## **REPORT**

### **Talk on Career Competency of Civil Engineers**

On 8<sup>th</sup> January, 2018, the Department of Civil Engineering of SJ CET, Palai in association with Centre for Continuing Education & Skill Development Cell organized a talk on the topic 'Career Competency for Civil Engineers' at Main block seminar hall during 3:00pm to 4:00pm.

Mr. Adarsh Abraham, an alumni and a well-known Consulting Engineer, was the resource person.

The session started with a welcome cum introductory speech by Mrs. Ance Mathew, HOD, CE Dept. Mr. Adarsh, as an experienced consultant explained the fact that civil engineering is always in demand and is expected to grow 25% every year due to the increasing demand for infrastructure.

He quoted that the number of projects are increasing in both private and public sector as well as in national and international level. He stressed the point that civil engineering is equally good for both boys and girls.

Mrs. Ance Mathew presented a memento to the resource person and the session came to an end by a vote of thanks by representative of S8CE.
