CRITERION 1 – CURRICULAR ASPECTS

Key Indicator - 1.3 Curriculum Enrichment

1.3.2 *Percentage of students undertaking project work/field work/ internships (Data for the latest completed academic year)*

NAAC DVV CLARIFICATIONS

1.3.2.1. **Number of students undertaking project work/field work / internships**

HEI Input:

1138

Sl. No.	DVV Clarification	HEI Response
1.	HEI needs to recheck the data and provide the figures for only those courses with "project work/field work/internship" that are mentioned in the prescribed syllabus of the university.	The provided data has rechecked for its correctness. Number of students undertaking project work/field work / internships = 1138
2.	HEI to also provide permission letter, Project Report, Completion Certificate for all claims for 2022-23.	<ul style="list-style-type: none">• The project work performed by students are in-house projects utilizing the laboratory facilities of the Institute and under the guidance of Individual faculty as per the Syllabus of the University. The scanned copy of the Title page of the Project report and the Project completion certificate is included as proof for every student.• The permission letter and the Internship completion certificate of each student is shown as proof.• The field work of students of certain departments are submitted. The fieldwork even though not mentioned in the prescribed syllabus of all programmes, field visits have been incorporated into the course work so as to enable better understanding of concepts and increase experimental learning with regard to the fundamental courses; these improves course outcomes in courses like Electronic Circuits, Digital Communication, Programming in C, Power system, DC Machines and transformers and Industrial & systems engineering.
