We also presented gifts to the coordinators of the programme as a token of our appreciation.

Following the visit to the firms, we had lunch at a nearby hotel and then embarked on a recreational session on the Sagararani vessel along the scenic Kochi backwaters. The trip provided a chance to unwind and bond with our fellow students while enjoying the beautiful scenery Vembanadu Lake and the Arabian Sea. Brief Description

IEEE CS SBC SJCTET in collaboration with IEEE CS Kerala Section conducted a 30-hour-long hackathon. The event kickstarted on July 9th, 2022. It was conducted from 9th July to 10th July 2022. The event was handled by representatives from the Kerala Section with the volunteering efforts of members of IEEE SB SJCTET. A total of nearly 54 participants took part in this hackathon in teams of a maximum capacity of four. The participants hailed from all over Kerala. In between the hackathon, there were two talk sessions which were handled by Mr. Shivam and Mr. Karthik K whose topics of discussion were 'The AI Lens' and 'Hackathon 101' respectively. Their words gave the participants much-needed enlightenment and refreshment during such a tense competition. This hackathon competition focused on the basic problem-solving skills and coding skills of the participants to come up with a solution in a limited timeframe. The interview was happening for 20 minutes and students found their faults in the resume as well as became more confident to attend the real interview. The session ends at 12.30 pm with a vote of thanks by **Pratheek Zachariah George** for **Mr. Allen Thomas Kannattu**.

Speech on "The challenges of Today's Woman"

REPORT

International Women's Day is celebrated globally on March 8th each year and it's a day to celebrate the social, economic, cultural, and political achievements of women. It's also a day to raise awareness about the challenges and obstacles women continue to face around the world. This year our Women's Day celebration - EVAREYNA '23 was inaugurated by Mrs. Grace Lal, Psychologist-Family Counsellor-Writer & Orator-Life Coach-Personality Development Trainer. She delivered a speech on 'The Challenges of Today's Woman'.

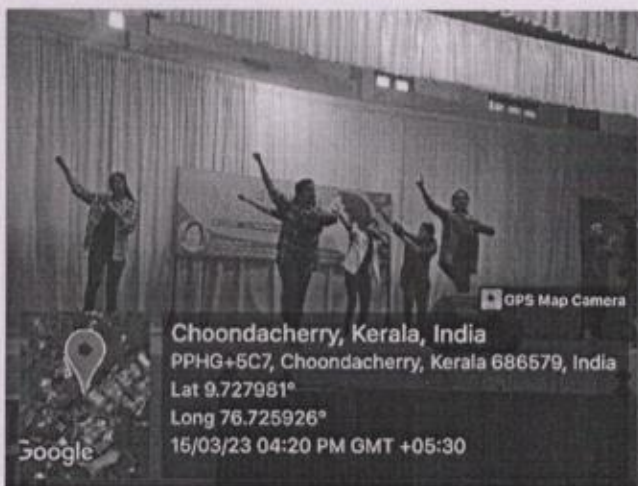

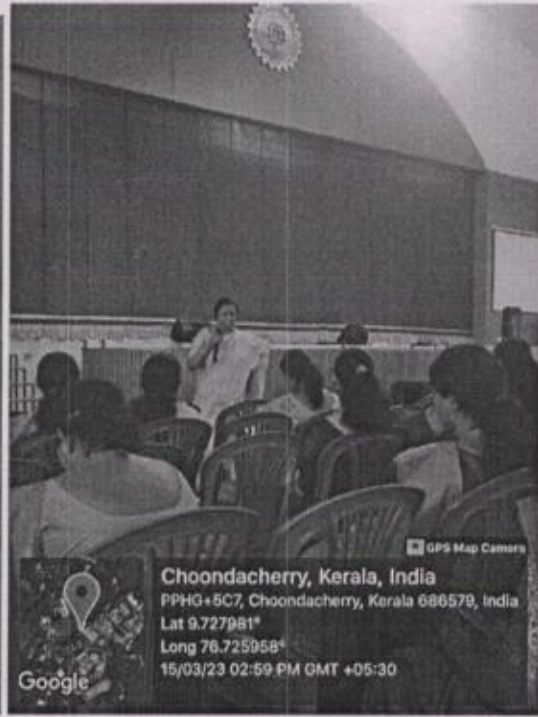

The Women's Day celebration in our college was organized by the Women in Development Cell, which is a student-faculty-led club that promotes gender equality and women's right. In association with Women's Day celebration the Women in Development Cell also conducted an interactive talk session with Mrs. Grace Lal for female students and faculties of the college. The session was very lively and encouraging. She also talked about the importance of self-care and mental health for women and provide practical tips for women to prioritize their well-being.

Additionally, she discussed the role of women in the family and society and encourage women to use their voices to advocate for themselves and others. She also highlighted the achievements of women throughout history and celebrate the progress that has been made toward gender equality. She shared her experiences in the updated struggles and obstacles that woman face in this digital era.
