## WHY INTEGRATED MCA?

- **Accelerated Dual Degree Pathway:** Combines undergraduate and postgraduate studies into one continuous program, ensuring two degrees in less time through a streamlined academic journey.
- **Comprehensive and Future-Ready Curriculum:** Covers fundamentals to advanced areas like AI, Cloud Computing, and Cybersecurity in a structured manner, building strong academic foundations and industry readiness.
- **Seamless Academic Transition:** Offers smooth progression from undergraduate to postgraduate study, maintaining continuity in learning and research without separate applications.
- **Hands-On Industry Exposure:** Integrates internships, live projects, and industry collaborations, strengthening technical skills while enhancing employability and confidence for professional challenges.
- **Smart Investment of Time & Money:** Saves years of study and reduces tuition costs by delivering two degrees in one integrated program.

## SCHOLARSHIP

Students belonging to Diocese of Palai are eligible for diocesan scholarship of ₹5,000/- per year.

## ELIGIBILITY

- Successful completion of 10+2 examination from a recognized board with pass.
- A minimum of 45% aggregate marks is required, with a relaxation of 5% for candidates belonging to reserved categories.
- Candidates who have not studied Mathematics at the higher secondary level must undertake a compulsory bridge course formulated by the University, as applicable to the regular MCA programme.
