

Five Day Hybrid Faculty Development Programme

TRANSFORMING HIGHER EDUCATION - NEP 2020, NATIONAL CREDIT FRAMEWORK, OBE AND CURRICULUM REFORMS

24 to 28 November, 2025

Organised by
Department of Computer Applications
St. Joseph's College of Engineering and Technology, Palai
(Autonomous)

ST. JOSEPH'S
COLLEGE OF ENGINEERING
AND TECHNOLOGY
- PALAI -
AUTONOMOUS

About the FDP

The program aims to provide comprehensive insights into NEP 2020, the National Credit Framework, Outcome Based Education (OBE), NBA Accreditation and curriculum reformation, enabling faculty members to align academic practices with current educational reforms and quality assurance framework. The session for the first four days will be conducted online and the final day will be held off-line at the college campus. The FDP is open to all teaching faculties.

FDP Outcomes

- ⦿ Clear understanding of the future of higher education curriculum in the context of **NEP 2020 and NCrF**.
- ⦿ Participants will be able to apply the principles of the National Credit Framework to **structure curriculum, assign credits appropriately** and ensure alignment with national academic standards.
- ⦿ Participants will be able to perform **CO - PO mapping, analyse attainment levels** and apply accreditation oriented assessment methods effectively.

Associate Professor
Department of Education,
Central University of Karnataka

Dr. Deepa V Jose

Associate Professor
Department of Computer Science
Christ Deemed to be University,
Bangalore

Mr. Sreeraj K. P.

Lecturer in Electronics Engineering
Department of Technical Education,
Kerala

Dr. Biku Abraham

Professor
Department of Computer Applications
Saintgits College of Engineering, Kottayam,
Kerala

Mr. Nirmal Krishna Iyer

Delivery Manager
TCS Kochi

Sessions & Topics

Day 1 (Online Session | 07:00 pm – 09:00 pm)

NEP 2020 and Opportunities in Higher Education

Dr. K. Thiyagu

Day 2 (Online Session | 07:00 pm – 09:00 pm)

National Credit Framework (NCrF): Structure, Implementation and Academic Integration

Dr. Deepa V Jose

Day 3 (Online Session | 07:00 pm – 09:00 pm)

Outcome Based Education (OBE) in the Perspective of NBA Accreditation with new SAR

Mr. Sreeraj K. P.

Day 4 (Online Session | 07:00 pm – 09:00 pm)

Curriculum Revision and Quality Enhancement Strategies

Dr. Biku Abraham

Day 5 (09:30 am – 04:00 pm)

Offline Session 1: Curriculum Innovation, Future Directions, and Course Implementation

Dr. Biku Abraham

Offline Session 2: Industry Requirements and Employability Skills in Higher Education

Mr. Nirmal Krishna Iyer

Organising Committee

Chief Patrons

Rev. Msgr. Dr. Joseph Thadathil

Chairman

Rev. Dr. Prof. James John Mangalathu

Director

Patrons

Dr. V. P. Devassia

Principal

Rev. Dr. Joseph Purayidathil

Vice - Principal

Convener

Dr. Rahul Shajan

Head - Dept. of Computer Applications

Coordinators

Rev. Dr. Jeethu Mathew

About Department

The Department of Computer Applications at St. Joseph's College of Engineering & Technology (Autonomous), established in 2009, is a proud and vibrant part of the institution. The department fosters a culture of creativity, innovation, and holistic growth, encouraging students to express their ideas freely. With an NBA-accredited MCA program, it provides strong theoretical foundations along with practical, industry-oriented exposure. Various activities such as expert talks, workshops, industrial visits, and technical competitions are regularly conducted to enhance student learning. The department ensures personal attention, skill development, and an inspiring academic environment for every student. Department offers MCA, Integrated MCA and Ph.D. programs.

About College

St. Joseph's College of Engineering and Technology (Autonomous), Palai is an institution established to offer quality higher education in a value-based Christian environment. The college emphasizes discipline, hard work, and excellence, aiming to develop students both academically and personally. It holds several prestigious recognitions, including NAAC 'A' grade, NBA accreditation for multiple programs, and ISO certifications, reflecting its commitment to quality and sustainability. With strong placement support, personality development programs, and state-of-the-art facilities, the college ensures students are well-prepared for successful careers. Located in a serene and eco-friendly campus, SJ CET provides an ideal atmosphere for learning and growth.

ST. JOSEPH'S
COLLEGE OF ENGINEERING
AND TECHNOLOGY,
- PALAI -
AUTONOMOUS

Vision

Developing into a world class, pace setting institute of Engineering and Technology with distinct identity and character, meeting the goals and aspirations of the society.

Mission

- To maintain a conducive infrastructure and learning environment for world class education.
- To nurture a team of dedicated, competent and research-oriented faculty.
- To develop students with moral and ethical values, for their successful careers, by offering variety of programs and services.

Department of **Computer Applications**

Vision

To emerge as a center of excellence in the field of computer education with distinct identity and quality in all areas of its activities and develop a new generation of computer professionals with proper leadership, commitment, and moral values.

Mission

- Provide quality education in Computer Applications and bridge the gap between the academia and industry.
- Promote innovation, research, and leadership in areas relevant to the socio-economic progress of the country.
- Develop intellectual curiosity and a commitment to lifelong learning in students, with societal and environmental concerns.
