Subject: Guidelines for Question Paper Verification, Scheme Finalization & Valuation – ESE November–December 2026

The End Semester Examinations (April–May 2026) for various programmes will commence on 9th November 2026. All faculty members are requested to strictly comply with the following instructions:

1. Question Paper Verification

Chief Examiners of all courses shall report to the Office of the Controller of Examinations at least 30 minutes prior to the commencement of the examination for the verification of question papers. Any discrepancies noticed shall be reported immediately for necessary action.

2. Scheme Finalization & Valuation

Scheme finalization shall be carried out by the Chief Examiner and Examiners under the guidance of the Chairperson. The finalized scheme, along with the duly completed Scheme Finalization Form, shall be submitted within the prescribed timelines:

- **FN Session Examination:** On the same day, before 4:30 PM
- **AN Session Examination:** On the next working day, before 12:30 PM

Valuation will begin immediately once the scheme is finalized. The detailed schedule—including dates and times for the examination, scheme finalization, and valuation—will be shared via a soft copy.

Scheme finalization need not be conducted at the Office of the Controller of Examinations. The Chairperson may arrange a suitable venue and inform the concerned team members accordingly. Question papers and evaluation schemes will be made available through the Examiners' Portal.

All Chairpersons are requested to ensure the smooth and timely execution of the above processes.
